EMBRACE THE CHAOS – AN EXERCISE IN CONTROLLED RANDOMNESS
With Libs Elliott

CLASS SUPPLY LIST

FABRIC

Using a series of worksheets and fun exercises (not the sweaty kind!), we'll be drafting random quilt designs in class, then bringing them to life. The finished quilt tops will be 30"x30".

I suggest bringing a total of at least 2 yards of fabric (or 8-10 Fat Quarters), in a variety of 5 – 10 different prints/solids that you love and would like to see together in a quilt. Go as simple or wild as you like!

For fabric inspiration, look up #rebelquilt on Instagram as the quilts we'll be drafting will be similar in style.
