## Charity Corner

### Current Charity Drive

Polinsky Children's Center (January-April)

The Polinsky Center is a 24-hour temporary emergency shelter which serves children from birth – 18 years of age, who must be separated from their family for their safety or when parents cannot provide care for them.

We support the center by providing quilts of all sizes for the children. We ask that it at least be able to wrap around their shoulders. We are accepting all sizes of quilts for this quilt drive.
